Incuming 00150005
Task 2492 + 2428

After reviewing the NOV's and the amounts we have decided that we will not pay the amounts listed below.

When we received these NOV's I called and talked to both Daron and Wayne about the fact that we were not given any good faith points. I was told that they couldn't assign any good faith points until the violation was terminated. Now that the violations have been terminated we feel like good faith points should be assigned.

Once we receive the new assessments we will pay the amount required.
